The court previously granted the plaintiff's motion for leave to proceed in forma pauperis ("IFP") while the plaintiff was a prisoner. However, the records of the Court indicate that the plaintiff is no longer incarcerated. The plaintiff has filed a request with the court to proceed IFP as a nonprisoner. After review of the record, I will grant filing no. 19 and the plaintiff is permitted to proceed IFP as a nonprisoner from this point forward in his case.

DATED this 6<sup>th</sup> day of June, 2006.
